PROJECT DESCRIPTION

The objective of the Better Migration Management (BMM) programme is to improve the management of safe, orderly and regular migration in the East Africa region in response to the needs identified by the African countries of the Khartoum Process, and in particular to support national authorities in addressing the trafficking of human beings and the smuggling of migrants within and from the Horn of Africa.

CIVIPOL, as an implementing partner of the BMM Programme, works to pursue Special Objective/Result Output 2.1: *The quality and comprehensiveness of investigations of trafficking and smuggling cases is improved*, Objective/Result 2.2 *The quality of court proceedings of trafficking and smuggling cases is increased* and Objective/Result 2.3 *Number of (presumed) victims of trafficking (VoT) referred by Law Enforcement Agencies to adequate protection services via National Referral Mechanism or functionally equivalent systems/ guidelines*.

For such objective, following Output Indicators have been set:

- OI (Output Indicator) 2.1.2 Percentage of a sample of analysed case files prepared by investigators show an improved quality and comprehensiveness concerning the file management and sources of evidence including physical evidence.
- OI 2.1.3 Number of supported joint interagency operations/ investigations with at least x participating agencies of which x include agencies of at least 2 countries.
- OI 2.1.4 Percentage of graduates of national police and/ or other law enforcement academies that have been trained with integrated modules on TiP and SoM as part of the standard curriculum according to international standard and in alignment with gender, human, and child rights principles
- OI 2.2.1 Number of prosecution actors and judges trained by BMM III with increased knowledge and/ or skills in TiP SoM case handling
- OI 2.2.3 Number of countries in which a disaggregated (and digitalised) case management system for criminal cases of TiP and SoM was introduced with support of BMM III.

- OI 2.2.4 Number of additional international mutual legal assistance requests on TiP and SoM cases that have been formulated according to regional/ international standards by prosecution actors.
- OI 2.3 Number of (presumed) victims of trafficking (VoT) referred by Law Enforcement Agencies to adequate protection services [...]

In Uganda activities in the above areas are to be carried out in the period October 2022/June 2025.
