The project

The global objective of this project is to improve the security of citizens in Bosnia and Herzegovina.

The specific objectives of the project are as follows:

- To enhance the effectiveness of institutions involved in the fight against transnational organised crime, corruption, drugs, money laundering, cybercrime, trafficking of human beings, terrorism, radicalisation, violent extremism, corruption and ensure better institutional interoperability,
- To further improve the collection and data exchange, and data protection according to the EU applicable standards and best practices,
- To improve governance standards to embed stability and progress towards EU membership, better identify and respond to threats and strengthen capacities to prevent and fight crimes.

The project start date is 2 September 2024, and the contract's implementation period is 50 months from this date. The expert team will be gradually built up.

The project will consist of 10 component, which each have various outputs:

Component 1: Fight against transnational organised/serious crime, Trafficking of Human Beings (THB), drugs, corruption and cybercrime

Component 2: Prevention and Countering terrorism and violent extremism

Component 3: Prevention and Countering Financial crime, Money Laundering

Component 4: Support the enhancement of effective cooperation among law enforcement bodies and with prosecutors and judges

Component 5: Enhancing external cooperation and coordination, information exchange, as well as international cooperation and coordination with EUROPOL and Interpol

Component 6: Support for drafting legislation in line with EU acquis, European standards and best practices

Component 7: Support to the criminal justice authorities in demonstrating progress towards establishing a track record of proactive investigations, confirmed indictments, prosecutions and final convictions against organised crime and corruption, including at high-level

Component 8: Enhance border security, and fight cross-border organised crime

Component 9: Complementary assistance to procure required equipment to support better use of Special Investigative measures (SIMs), effective investigations, forensic capacities and specialised IT equipment that will enhance the LEAs' capacity and further strengthen data security and exchange.

Component 10: Communication and outreach to BiH citizens / EU Visibility

The consortium will select the candidates and present them to the Contracting Authority (EU Delegation to Bosnia and Herzegovina) for formal approval.
