LONG TERM EXPERT – CENTRAL ASIA – BOMCA (BORDER MANAGEMENT PROGRAMME IN CENTRAL ASIA: PHASE 11)

CIVIPOL is looking for long term expert in an upcoming EU-financed international project dedicated on the control border management and organized crime.

Under the authority of the project Team Leader s/he will oversee the thematic control border management and organised crime in Central Asia. In this role he or she will be advising stakeholders from partner countries on needs' identification and the tools and actions best suited to address them.

The expert will be part of a team which will run the project and assure the trans-regional approach within its strategic lines to combat organised crime and control border management.

Based in Bishkek, s/he will frequently travel to the partner countries. The mission will start in February 2026 (indicatively) and is scheduled to last for 40 months.
