- [anne-marie.wehbe@civipol.fr](mailto:anne-marie.wehbe@civipol.fr)

**THEME:** *Criminal Justice System Cooperation to Counter Trafficking in Persons and Smuggling of Migrants*

### PROJECT DESCRIPTION

The objective of the Better Migration Management (BMM) programme is to support Horn of Africa countries to promote the safe, orderly and regular migration through human-rights-based and gender-responsive, victim-centred approaches, and in particular to support national authorities in addressing the trafficking of human beings and the smuggling of migrants within and from the Horn of Africa.

CIVIPOL, as an implementing partner of the BMM Programme, works to pursue the first Output of the programme **"The capacities of law enforcement, judicial, border and immigration authorities regarding anti-trafficking/anti-smuggling in accordance with a human-rights and victim-based approach are strengthened"**.

For such Output, following Output Indicators (OI) have been set:

- **OI 1.1** – Number of personnel of law enforcement, judicial bodies, border, and immigration authorities that completed a training under BMM IV and confirm having applied their newly gained knowledge in their daily work.

- **OI 1.2** – Number of partnerships, policies, agreements, or measures/SOPs on anti-trafficking/anti-smuggling have been implemented.
- **OI 1.3** Number of THB/SoM-related trainings (courses, modules) that have been institutionalized with relevant state-owned training institutes.

CIVIPOL also works to pursue the second Output of the programme “**The access to institutionalised and gender-responsive protection services for victims of trafficking and vulnerable migrants in countries is improved following a regional whole-of-route-approach**”.

For such Output, following Output Indicators (OI) have been set:

- **OI 2.4** – Number of measures defined through inter-agency meetings with the involvement of CSOs to improve the referral mechanisms that have been implemented.

## JOB DESCRIPTION

The National Project Officer Malawi, in collaboration with the National Project Assistant Malawi, under the guidance of the National Coordinator Malawi, in liaison with the Coordinator Malawi/Ethiopia when applicable, will be in charge of all organisational, logistical and administrative tasks required for the implementation of the project activities in Malawi. This includes support for and in regional activities when required.

The National Project Officer Malawi will assist the National Coordinator for Malawi, and other members of the team, in conducting project activities, coordinating with the CIVIPOL BMM national and international experts, coordinating with IOM BMM Team for joint or connected activities, communicating with the national partners.

The National Project Officer Malawi, under guidance by the National Coordinator for Malawi and in liaison with the Project Assistant, will coordinate with the Implementation Project Manager, and with the Project Officer at the CIVIPOL BMM Regional Office for matters to be dealt with for ensuring financial and administrative accuracy of procedures and for delivering reports, data, and all relevant documents and information. This includes supporting and overseeing monthly cash box reports (Caisse et Banque) to be sent to the regional office by the 2nd of the following month.

The National Project Officer Malawi will also contribute to provide direct technical input in trainings, workshops and meetings, and to provide or contribute to minutes and reports in the same activities, as listed in the following table, which is to be understood as a non-exhaustive plan:
