

Accountant - for the European Union-funded project “Enhancing protection of public spaces and critical infrastructure in the Western Balkans

Accountant for the European Union-funded project “Enhancing protection of public spaces and critical infrastructure in the Western Balkans” (Croatia)

The EU has launched a 3-year project in the Western Balkans aimed at strengthening the capacities of the region to effectively detect, investigate and respond to terrorist threats on public spaces and critical infrastructures. This European-funded action is in line with the goals set under objective 5 of the EU’s Joint Action Plan on Counter Terrorism for the Western Balkans, focused on strengthening citizen and critical infrastructure and entities’ protection in the region.

CIVIPOL, the operator of the French Ministry of Interior, will manage the project and is looking for a Team Leader to head the project’s implementation team for 36 months, starting in March 2026-.

profile

A finance professional responsible for the sound financial management of project activities implemented in the field. S/he ensures accurate monitoring, reporting, and recording of all project-related expenditures, in line with internal procedures and donor requirements.

Missions

The Project Accountant ensures the operational financial management of project activities implemented in the field, monitors and controls all project expenditures and funds, and provides regular and accurate financial reporting to the PMU. S/he ensures full compliance with internal financial procedures and donor rules, and provides support to procurement processes as well as to the preparation and implementation of financial audits.
