COMPANY PRESENTATION

CIVIPOL, the technical cooperation operator of the French Ministry of the Interior, is a private company that provides services to the public sector that help foreign states strengthen their internal security and uphold their sovereignty. As a specialist in Technical Assistance, Procurement, and Promotion of the security industry, CIVIPOL intervenes in the areas of identity, cross-border movement, and territorial reach.

CIVIPOL implements around 100 transnational projects, in close collaboration with partners of all nationalities, in more than 80 countries worldwide, principally in Africa.

The projects implemented by CIVIPOL are mainly funded by international donors (European Commission, World Bank, UN).

The project phase 3 started in September 2025 and is expected to run until August 2028.

PROJECT DESCRIPTION

The Regional Operational Centre in Khartoum, in support of the Khartoum Process and AU-Horn of Africa Initiative (ROCK), is a regional project to fight criminal networks involved in human trafficking and smuggling, financed by the Emergency Trust Fund for Africa of the European Union, which was launched as part of the Khartoum Process at the request of countries from the Horn of Africa.

To combat these illicit activities, the ROCK promotes the exchange of information and expertise essential to the fight against these criminal networks, while paying particular attention to strengthening the criminal justice chain and enhancing prevention to protect victims.

On-demand training is part of the project, and International Cooperation, Mutual Legal Assistance, and Interpol Tools (I-24/7, Notices) in Human Trafficking would outline the purpose, scope, roles, responsibilities,

and procedures to ensure a coordinated and effective response during the investigation of human trafficking-related crime scenes.

JOB DESCRIPTION

The non-key expert will be responsible for the following:

- International police cooperation frameworks;
- MLA and extradition;
