COMPANY PRESENTATION

CIVIPOL, the technical cooperation operator of the French Ministry of the Interior, is a private company that provides services to the public sector that help foreign states strengthen their internal security and uphold their sovereignty. As a specialist in Technical Assistance, Procurement, and Promotion of the security industry, CIVIPOL intervenes in the areas of identity, cross-border movement, and territorial reach.

CIVIPOL implements around 100 transnational projects, in close collaboration with partners of all nationalities, in more than 80 countries worldwide, principally in Africa.

The projects implemented by CIVIPOL are mainly funded by international donors (European Commission, World Bank, UN).

The project started in September 2025and is expected to run until August 2028.

PROJECT DESCRIPTION

The Regional Operational Centre in Khartoum, in support of the Khartoum Process and AU-Horn of Africa Initiative (ROCK), is a regional project to fight criminal networks involved in human trafficking and smuggling, financed by the Emergency Trust Fund for Africa of the European Union, which was launched as part of the Khartoum Process at the request of countries from the Horn of Africa.

To combat these illicit activities, the ROCK promotes the exchange of information and expertise essential to fighting these criminal networks, while paying particular attention to strengthening the criminal justice chain and enhancing prevention efforts to protect victims.

On-demand training is part of the project, and Crime Scene Management in Human Trafficking would outline the purpose, scope, roles, responsibilities, and procedures to ensure a coordinated and effective response

during the investigation of human trafficking-related crime scenes.

JOB DESCRIPTION

The non-key expert will be responsible for the following:

• Develop and deliver a comprehensive training program on the management of Crime Scenes and their connection to human trafficking for Project ROCK Liaison Officers in Burundi, as well as around 20 colleagues in law enforcement agencies in Burundi.

- Provide training on scene security, victim identification, and support for evidence preservation and the chain of custody.
- Real-time data sharing
- International cooperation (for cases involving multiple countries).
- Forensic aspect in Crime Scene investigation.

• Collaborate with law enforcement agencies and relevant stakeholders to assess training needs and customise materials accordingly.

• Provide ongoing support and guidance to law enforcement personnel in addressing real-world cases.

The expert shall provide specific direct inputs and deliverables as a trainer and consultant. All deliverables must respect the Rock's communication and visibility rules.

TRAINING APPROACH

The expert should employ an approach that is:

• Engaging and interactive, promoting active learning and skill development.

• Sensitive to the local cultural context and the unique challenges faced in Burundi.

• Results-oriented, with a focus on the practical application of knowledge and skills.

• Ensure that participants in project activities are aware of relevant policy guidelines, technical standards, and commitments undertaken by the Government and relevant institutions under international and domestic law to counter human trafficking.

• Ensure that responses are in line with existing policy guidance, technical standards, relevant Government human rights legal obligations, and overall anti-trafficking and victim protection guidelines.

REPORTING AND IMPACT ASSESSMENT

The non-key expert will be required to:

• Report on the progress and impact of the training program.

• Collect feedback from participants and measure improvements in their responses to cases of online sexual exploitation and human trafficking.

• Recommend adjustments and enhancements to the training based on evaluations and feedback.

• Ensure design and implementation of activities are based on proper needs and feasibility analysis and entail needed flexibility to respond to upcoming needs for change.

• Ensure activities are properly planned, implemented, and reported.

PROFESSIONAL EXPERIENCE

- Professional experience in the collection and processing of crime scene evidence and crime scene management in THB and SoM cases.
- Professional experience in designing/conducting training in crime scene evidence handling techniques and processing evidence.
- Knowledge of methods for investigating crime scenes, THB, and SoM.
- 3 to 5 years of relevant experience in Counter trafficking / Mixed migration.
- Several years of professional experience in investigating crime scenes, particularly sexual abuse.
- Previous consulting experience in Africa and knowledge of the context related to counter-trafficking in the Horn of Africa are an asset.

PROFESSIONAL SKILLS
