Lebanese legislation on digital and cyber security

Senior short-term expert on

Lebanese legislation on digital and cyber security

for the European Union-funded project "Advance Counter Terrorism for Lebanon Security" (ACT Lebanon)

The project "Advance Counter Terrorism for Lebanon security (ACT Lebanon)" (2020-2023 aims at reinforcing national capacities in Lebanon to react to the threats of terrorism and organized crime while promoting rule of law and human rights, in line with international standards. As the digitalisation of society translates the challenges of terrorism and organized crime into the cyberspace, the project counts as its specific objective 2 to enhance protection and response against terrorism and crime through an improved cybersecurity national system.
